To the best of our knowledge, we herewith confirm that neither in the production of raw materials nor in the production of the above semi-finished products, the substances listed in Directive **2011/65/EU** and **2015-863-EU** of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS), are intentionally used or introduced².

Since the presence of the substances cannot reasonably be expected, BBC Cellpack Technology / Cellpack AG does not systematically check their absence in its stock shapes by testing.

All statements, technical information, recommendations, and advice are for informational purposes only and are not intended and should not be construed as a warranty of any type or term of sale. The reader, however, is cautioned that BBC Cellpack Technology / Cellpack AG does not guarantee the accuracy or completeness of this information and it is the customer's responsibility to test and assess the suitability of the products in any given application or for use in a finished device.

¹⁾ This statement expires in case of regulatory or compositional changes.

²⁾ "Intentionally introduced" means "deliberately utilised in the formulation of a material to facilitate manufacture or to provide a specific characteristic, appearance or quality".
