

ABSENCE DECLARATION RoHS

Date.: 10 January 2020 ⁽¹⁾

Version 2.0

Products: stock shapes

PEEK Classix white

PEEK LSG natural / black / yellow / red / blue

PEEK CA30 LSG

PPSU LSG black BK937

PPSU LSG blue BU1027

PPSU LSG yellow YL1337

PPSU LSG green GN1007

PEI LSG natural

PC LSG natural

PP-H LSG natural

PEEK LSG + FG natural / black

PPSU LSG natural NT15

PPSU LSG red RD1018

PPSU LSG grey GY1037

PPSU LSG orange OR1145

PSU LSG natural

POM-C LSG natural / black

To the best of our knowledge, we herewith confirm that the substances cadmium (Cd), lead (Pb), mercury (Hg), hexavalent chromium [Cr(VI)], polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), bis(2-ethylhexyl) phthalate (DEHP), butyl benzyl phthalate (BBP), dibutyl phthalate (DBP) and diisobutyl phthalate (DIBP), regulated by the **Directive 2011/65/EU** of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances (**RoHS**) in electrical and electronic equipment, as amended up to and inclusive of the Commission Delegated Directive (EU) 2019/1846, are neither intentionally introduced² during the production of the raw materials nor during the manufacture of the above mentioned **Cellpack stock shapes**.

Because the presence of the above-mentioned substances is not expected, their absence is not verified by Cellpack AG BBC Cellpack Technology through systematic testing.

Since additionally the Cellpack stock shapes mentioned above do not at all contain flame retardants – flame retardants which could contain polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE) – or plasticisers – plasticisers which could contain to (2-ethylhexyl) phthalate (DEHP), butyl benzyl phthalate (BBP), dibutyl phthalate (DBP) or diisobutyl phthalate (DIBP) – we therefore consider the requirements of the Directive 2011/65/EU as being met.
